8. Regarding ordinary resolutions number 1 to 3, a cumulative voting system will be adopted. "Cumulative voting system" refers to a system of voting for election of Directors or Supervisors at general meetings under which each Share shall be entitled to the number of votes equivalent to the number of the Directors or Supervisors to be elected at the Shareholders' general meeting. Shareholders may consolidate their votes for one or more Director(s) or Supervisor(s). The principles below shall be followed for voting under the cumulative voting system:
 - (i) the number of candidates for the roles of Directors or Supervisors may be greater than that of the Directors or Supervisors to be elected at the Shareholders' general meeting, but the number of candidates to be voted by each Shareholder shall not exceed the number of Directors or Supervisors to be elected at the Shareholders' general meeting, and the total number of votes allocated to the Shareholders shall not exceed the number of votes held by them; otherwise, the votes shall be invalid;

- (ii) voting for the non-independent Directors and independent non-executive Directors shall be carried out separately. For the election of independent non-executive Directors, the number of votes each Shareholder is entitled to shall be equal to the number of Shares held by the Shareholder multiplied by the number of independent non-executive Directors to be elected, and such votes must be cast only for the candidates for the role of the Company's independent non-executive Directors; for the election of non-independent Directors, the number of votes each Shareholder is entitled to shall be equal to the number of Shares held by the Shareholder multiplied by the number of non-independent Directors to be elected, and such votes must be cast only for the candidates for the role of the Company's non-independent directors; and
- (iii) the candidates to be finally elected as Directors or Supervisors shall be determined according to the numbers of votes they have received, but the minimum number of votes each candidate elected has received must exceed half of the total number of Shares held by Shareholders (including proxies thereof) attending the EGM. If the number of Directors or Supervisors elected falls short of the number of Directors or Supervisors to be elected at the EGM, a new round of voting shall be carried out for the candidates for the roles of Directors or Supervisors not having received the required number of votes to fill the shortage. If the shortage is still not filled, a by-election shall be conducted at the next Shareholders' general meeting of the Company. If two or more candidates for the roles of Directors or Supervisors have the same number of votes, but not all of them can be elected according to the election quota, a separate round of voting shall be conducted for such candidates with the same number of votes.
